HYGIENISTS

BOOK THE UNHINGED HYGIENISTS

Unhinged delivery. Real clinical truth.

Lauren Kennedy, RDH, BS, OMT and Anastasia Dallas, RDH bring 45+ years of combined chairside experience, big laughs, and zero sales pitches to your next event. Unsponsored, unfiltered, whole-health focused.

THE FRAMEWORK: NOTICE → CONNECT → COMMUNICATE → COLLABORATE

Every talk is built around one simple idea for turning what you see chairside into real patient conversations.

1

NOTICE

See the finding.

2

CONNECT

Recognize the pattern.

3

COMMUNICATE

Say it clearly, within scope.

4

COLLABORATE

Co-assess, monitor, or refer.

SIGNATURE TALKS

PROFESSIONAL DEVELOPMENT · KEYNOTE

STOP SAYING "I'M JUST THE HYGIENIST"

Reclaiming your role as a Healthcare Hygienist: a clinician who recognizes patterns, thinks critically, communicates effectively, and knows when collaboration or referral can change a patient's health trajectory.

ORAL-SYSTEMIC HEALTH · CLINICAL

THE HEALTHCARE HYGIENIST: CONNECT THE DOTS OTHERS MISS

A scalloped tongue. Unexplained wear. Persistent inflammation. Rapid-fire cases and one recurring question, "What would you do next?", build a repeatable pattern-recognition process.

COMMUNICATION & PATIENT COMPLIANCE

THE CONVERSATION THAT CHANGES EVERYTHING

From clinical finding to patient action: concise, patient-centered language for introducing findings without diagnosing outside scope, creating fear, or undermining the dentist.

Available as 60, 90, or 120 minutes · keynote or breakout · in person or virtual. **Mix and match talks for a full event night or team day.** Coming soon: *Airway and Myofunctional Screening, led by Lauren.*
